T.R.A. DOCKET ROOM

PETITION TO INTERVENE OF SECCA

The Southeastern Competitive Carriers Association ("SECCA")¹ petitions the Authority to intervene in the above-captioned proceeding pursuant to T.C.A. § 4-5-310(a).

SECCA is a coalition of competitive local exchange carriers certified by the Tennessee Regulatory Authority ("TRA"). This proceeding will address, among other things, the terms and conditions under which SECCA members may operate in Tennessee. Specifically, this proceeding will consider the impact of decisions of the Federal Communications Commission and the federal courts upon interconnection agreements between SECCA members and BellSouth Telecommunications, Inc. Therefore, the legal rights, duties, privileges, immunities, or other legal interests of SECCA's members may be affected or determined by the outcome of this proceeding. Since no procedural schedule has yet been established, granting this petition will not impair the interests of justice or the orderly and prompt conduct of these proceedings.

SECCA, therefore, asks that this Petition to Intervene be granted.

Respectfully submitted,
